Repeat your password

Password confirmation is required

Create account

Figure: Register Form Validation Error

How to Use

1. Navigate to the registration page at /register
2. Enter your email address in the 'Email' field
3. Choose a username (3-30 characters, letters, numbers, and underscores only)
4. Enter a password (minimum 8 characters) in the 'Password' field
5. Re-enter your password in the 'Confirm Password' field
6. Click 'Create account' to register
7. If there are validation errors, they will appear below each field
8. Click 'Sign in' link to go back to the login page if you already have an account

Dashboard (Empty State)

Route: /dashboard

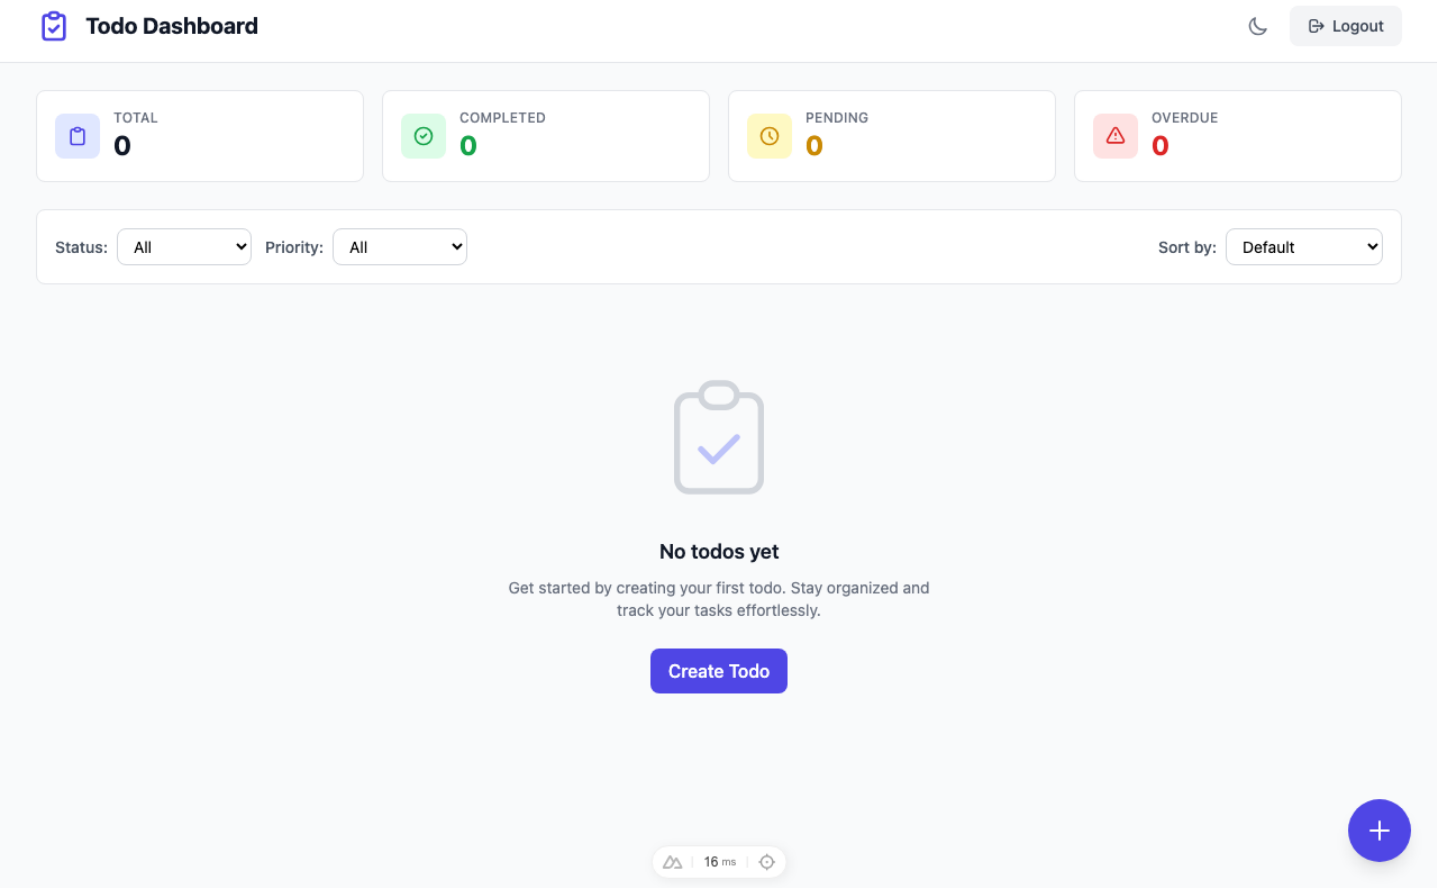

Figure: Dashboard Empty

How to Use

1. After logging in, you are redirected to the dashboard
2. When no todos exist, an empty state message is displayed
3. Click 'Create Todo' button to add your first task
4. The header shows the app title and a logout button

Dashboard (With Todos)

Route: /dashboard

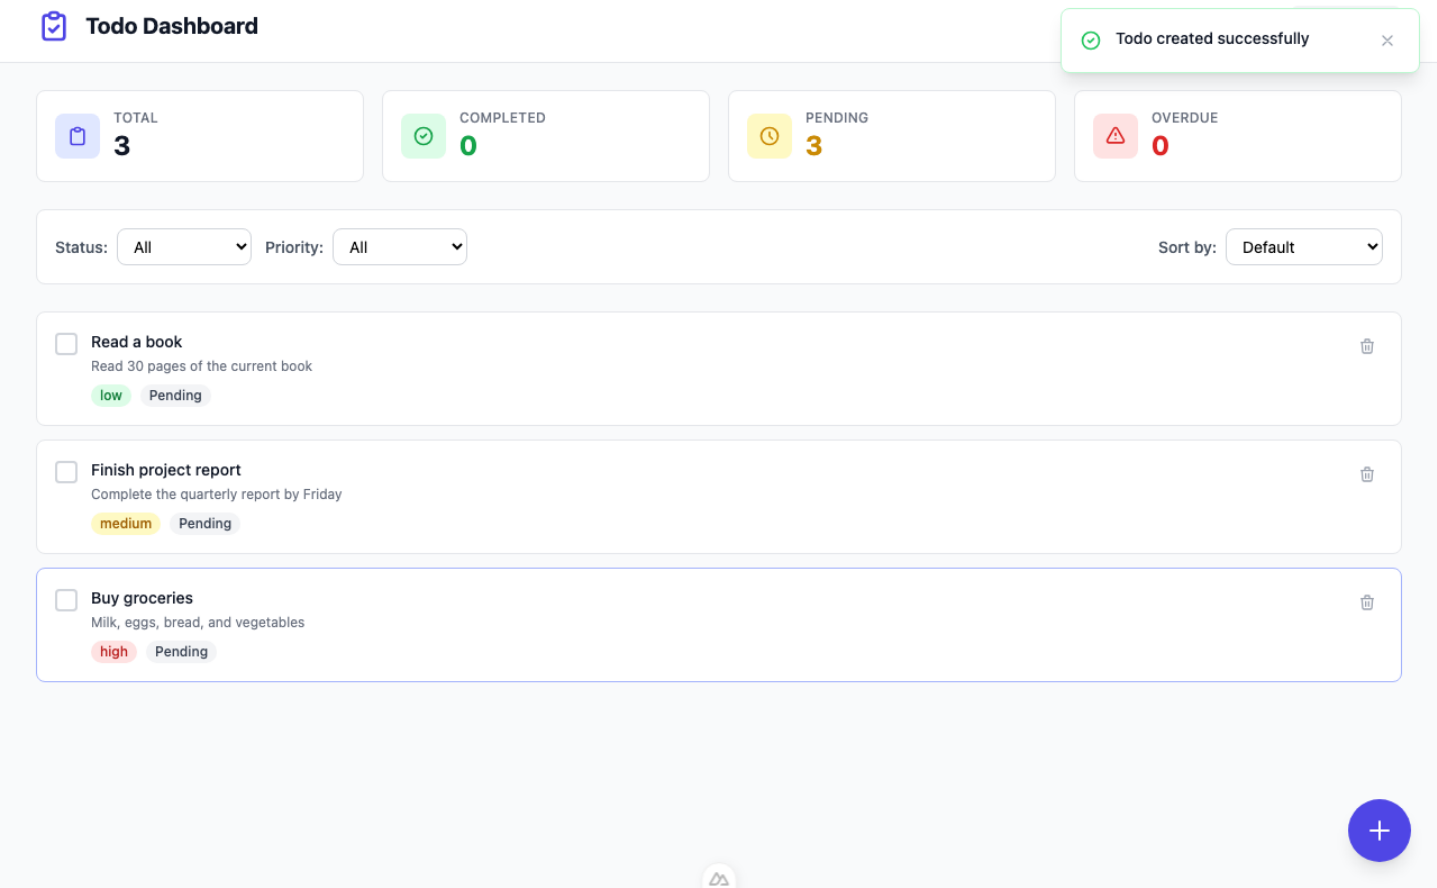

Figure: Dashboard

How to Use

1. The dashboard displays all your todos in a list view
2. Each todo shows its title, description, priority badge, and status
3. Stats cards at the top show total, pending, in-progress, and completed counts
4. Use the filter bar to narrow down todos by status or priority
5. Use the sort dropdown to reorder todos
6. Click the floating '+' button (bottom-right) to create a new todo
7. Click the checkbox to mark a todo as done
8. Click the trash icon to delete a todo

Create Todo Modal

Route: /dashboard

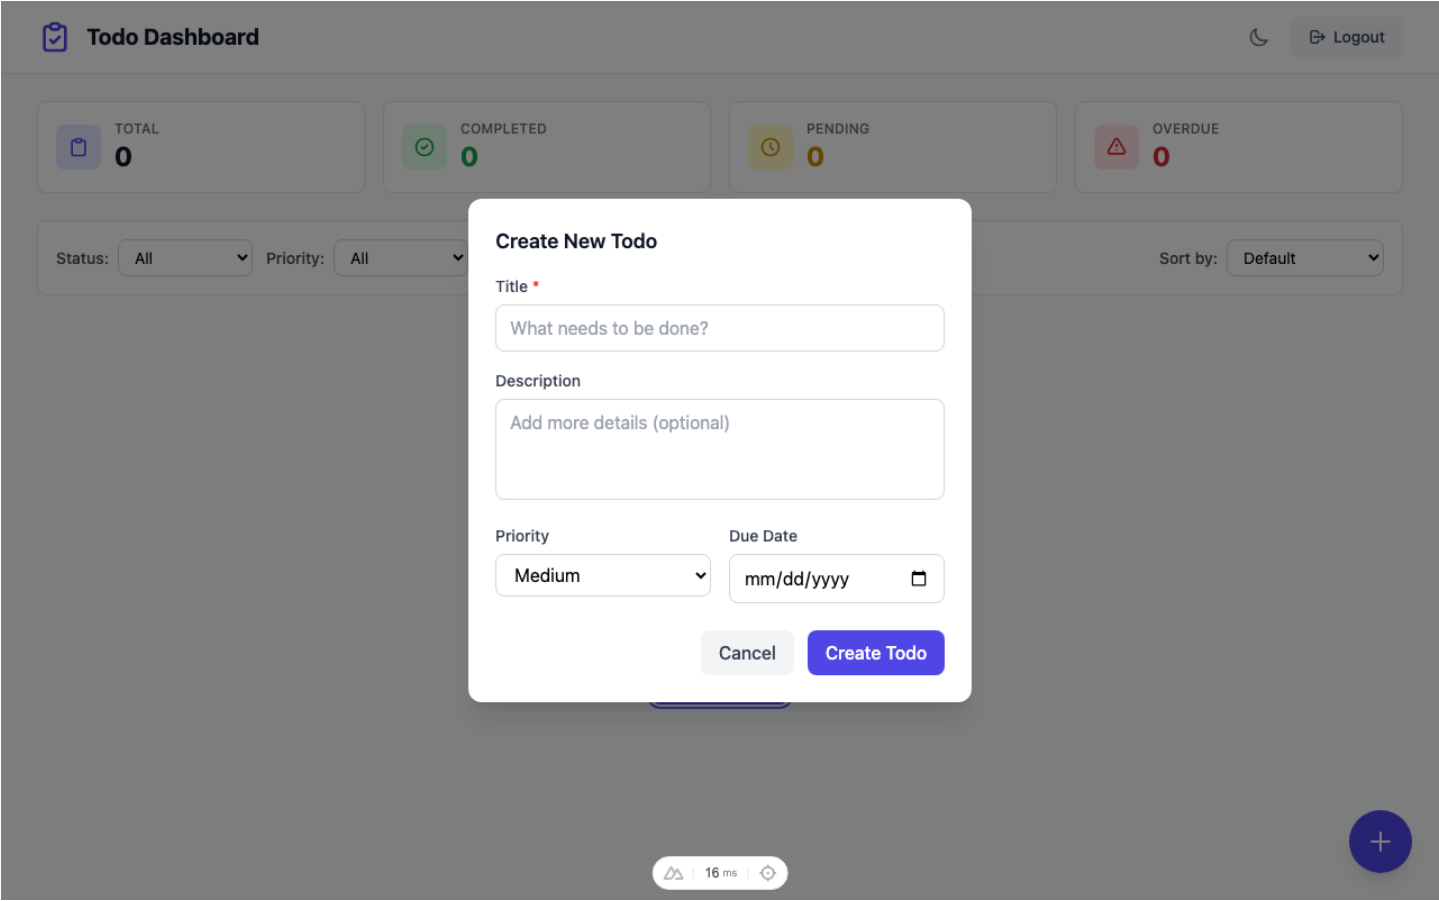

Figure: Dashboard Modal Create Todo

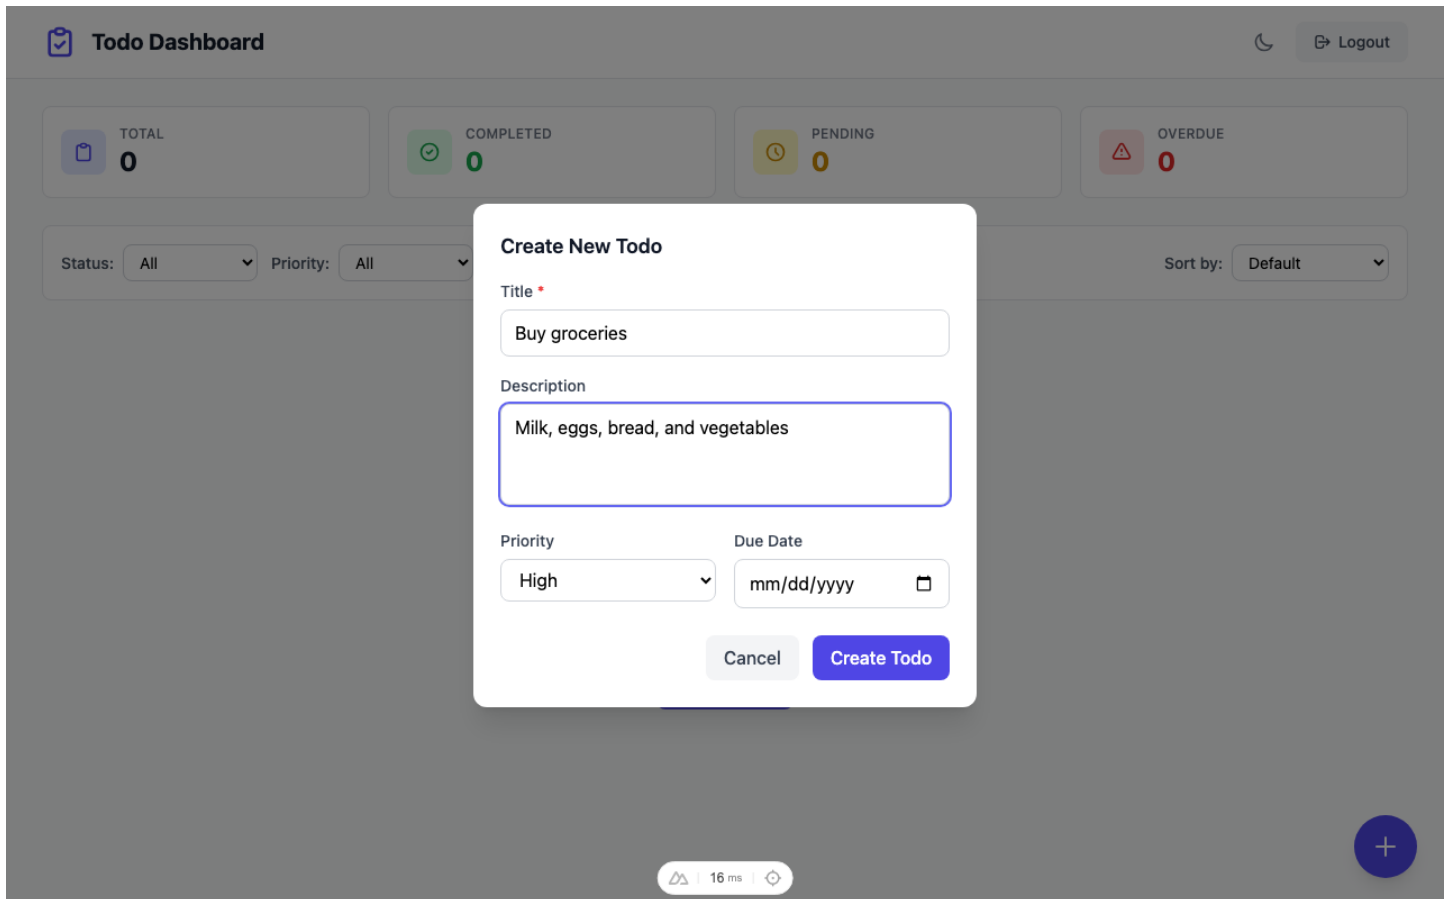

Figure: Dashboard Modal Create Todo Filled

How to Use

1. Click the '+' floating action button or 'Create Todo' button
2. A modal dialog appears with a form
3. Enter a title for your todo (required, max 200 characters)
4. Optionally add a description for more details
5. Select a priority level: Low, Medium, or High
6. Optionally set a due date
7. Click 'Create Todo' to save, or 'Cancel' to dismiss

Filter by Status

Route: /dashboard

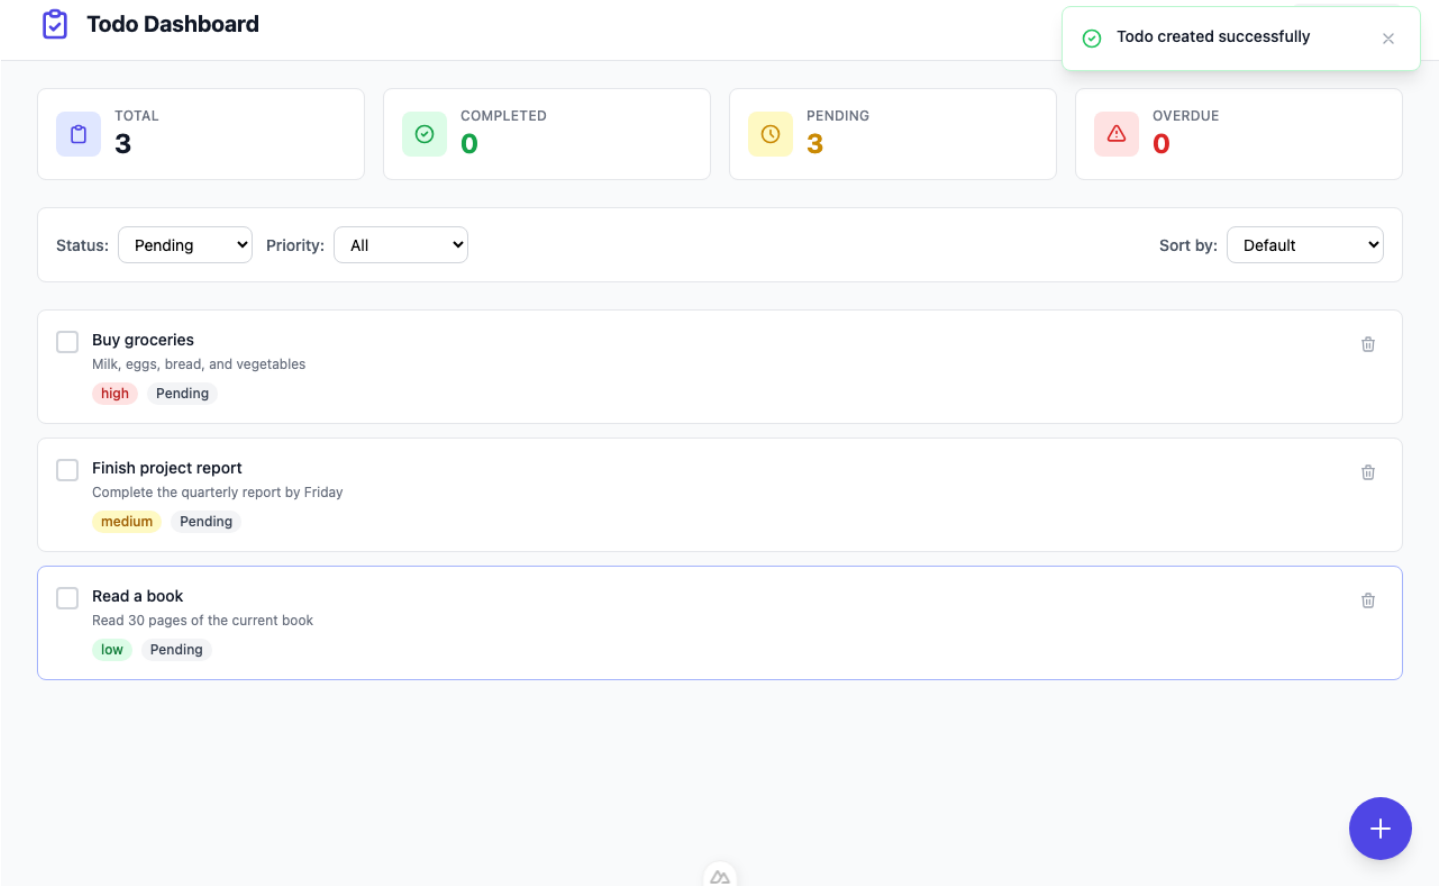

Figure: Dashboard Filter Status Pending

How to Use

1. Use the 'Status' dropdown in the filter bar
2. Select 'Pending', 'In Progress', or 'Done' to filter todos
3. Select 'All' to show all todos regardless of status
4. The todo list updates immediately when a filter is applied

Filter by Priority

Route: /dashboard

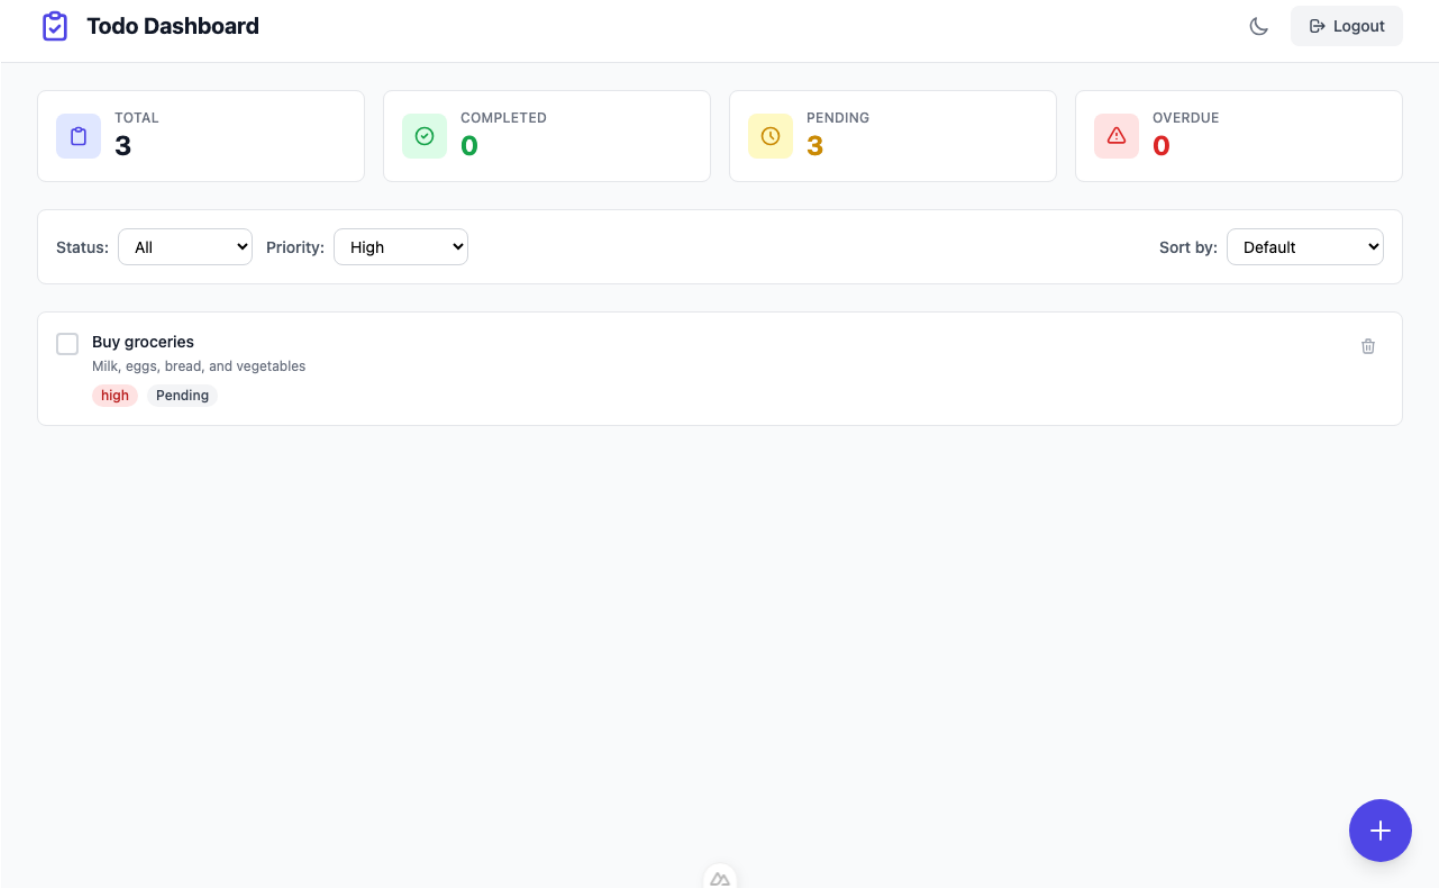

Figure: Dashboard Filter Priority High

How to Use

- 1. Use the 'Priority' dropdown in the filter bar
- 2. Select 'Low', 'Medium', or 'High' to filter by priority
- 3. Select 'All' to show all todos regardless of priority
- 4. Combine with the status filter for more specific results

Sort Todos

Route: /dashboard

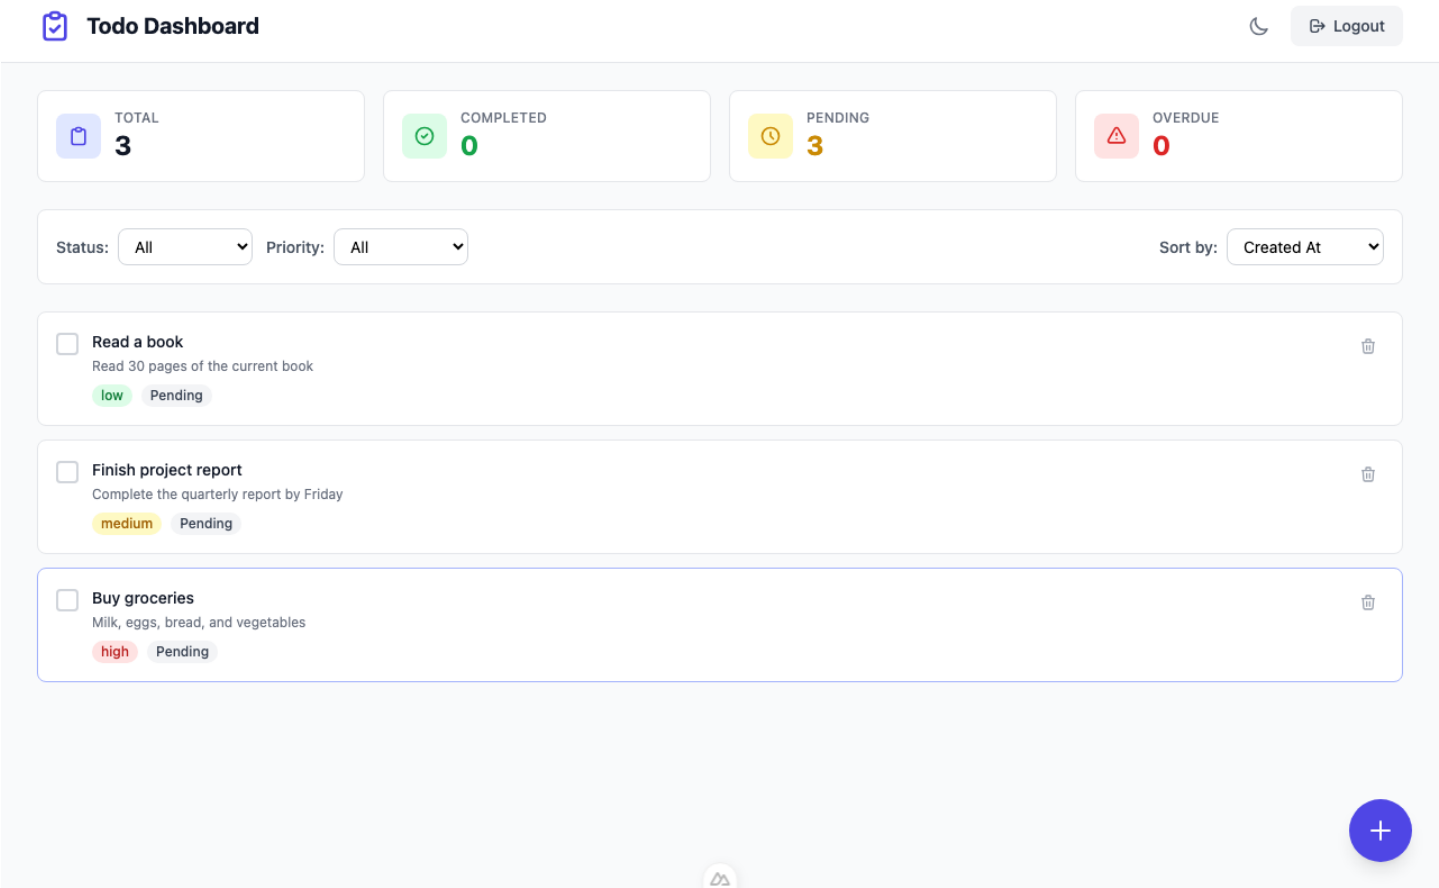

Figure: Dashboard Sort Created At

How to Use

1. Use the 'Sort by' dropdown on the right side of the filter bar
2. Select 'Due Date' to sort by upcoming deadlines
3. Select 'Created At' to sort by creation date
4. Select 'Default' to return to the default ordering

Delete Confirmation

Route: /dashboard

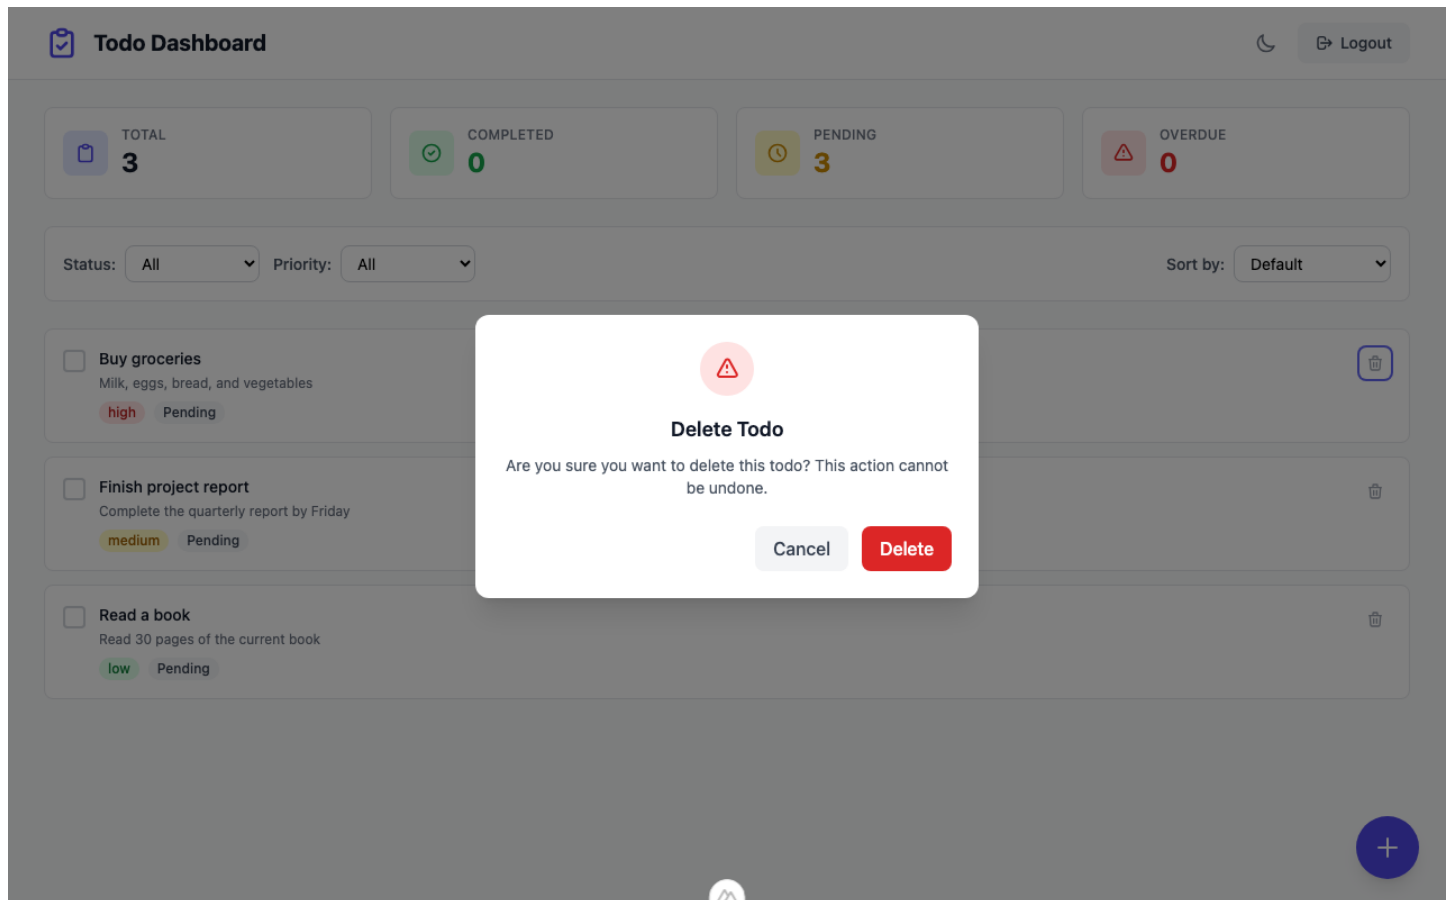

Figure: Dashboard Modal Delete Confirm

How to Use

1. Click the trash icon on any todo item
2. A confirmation dialog appears asking you to confirm deletion
3. Click 'Delete' to permanently remove the todo
4. Click 'Cancel' to dismiss and keep the todo
5. Note: This action cannot be undone

Complete a Todo

Route: /dashboard

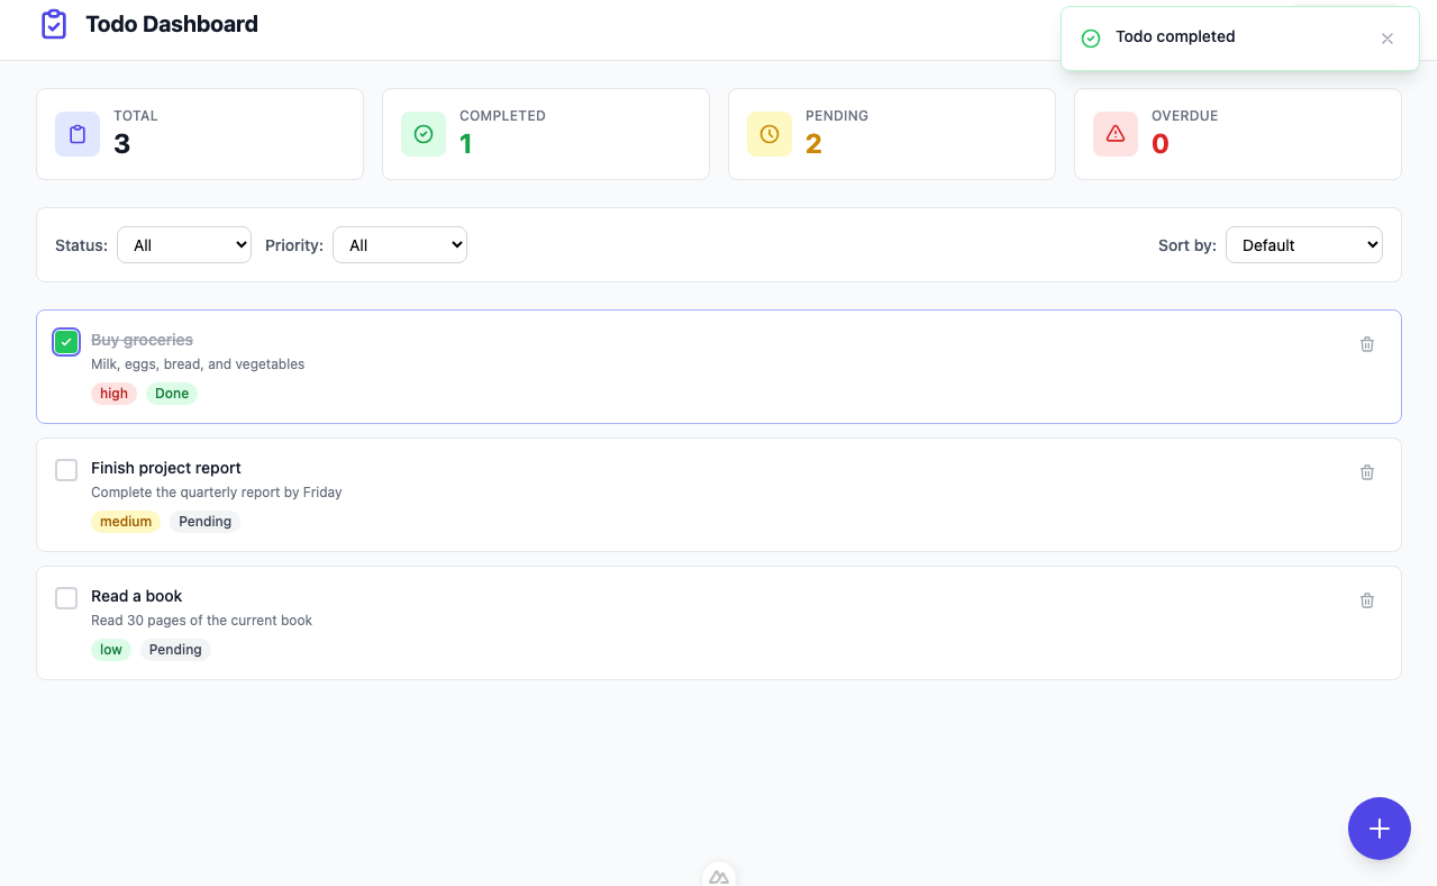

Figure: Dashboard Todo Completed

How to Use

1. Click the circular checkbox on the left side of a todo item
2. The todo is marked as 'Done' with a green checkmark
3. The title gets a strikethrough style to indicate completion
4. Click the checkbox again to reopen the todo (mark as pending)
5. Stats cards update automatically to reflect the change
